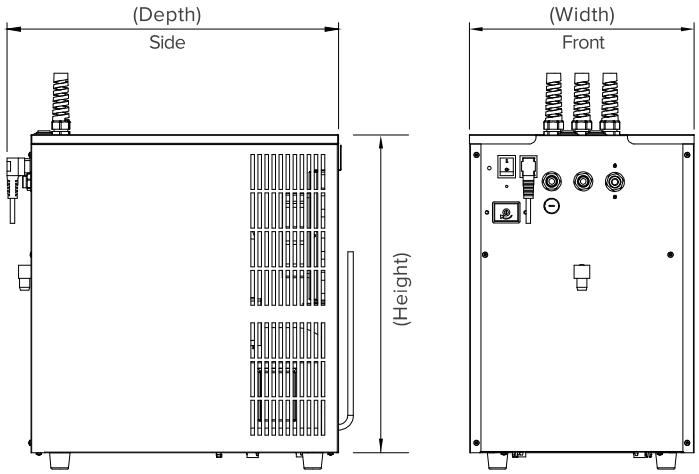
Feature & Technical Overview

PRIMAVERA SPLIT SYSTEM CX13-B

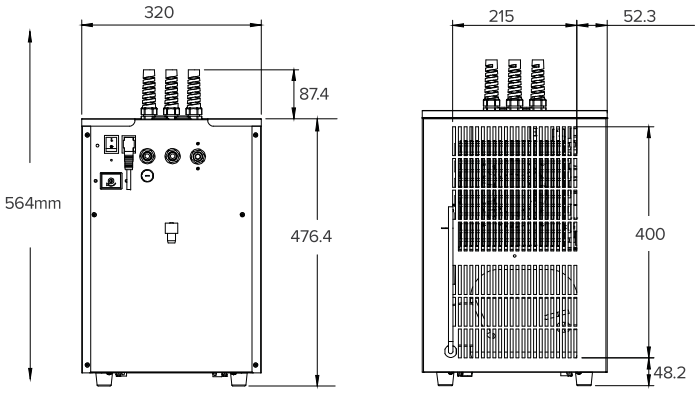
COLD FIZZ AMBIENT 3-Taps

Specifications (All measurement in mm)



Allow 100mm each side for ventilation

Clearance required above System for Hose (Height)

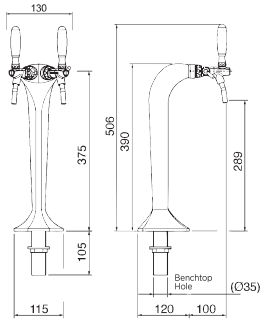


(Total height required from floor 563.8)

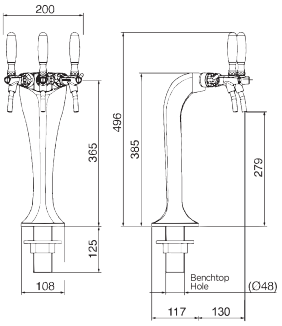
		Primavera CX13-B
Width	mm	320
Depth	mm	457
Height (See below Clearance for Hose)	mm	476.4
Water Outlet Temperature*	°C	5 - 12
Supply	Volt/Hz	220 - 240 / 1 / 50 Hz
Net Weight	kg	29
Average Weighted Sound Pressure Level	dB	< 70

* The performance shown in the table is based on an ambient temperature of 25°C & mains water inlet temperature of 20°C. Performance of the unit will decrease with higher ambient or mains water temperatures.

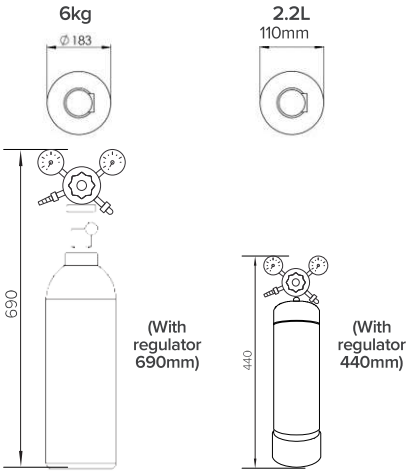
2-Tap Chilled Still & Sparkling (mm)

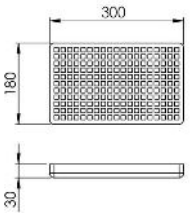


3-Tap Chilled Still, Sparkling & Ambient (mm)



CO_2 Gas Regulator (Included) Gas Cylinder (Not included) (mm)



Water Filter Kit (mm)


Drip Tray (mm)
